

Dear friends,

Firstly, we want to apologise for the delay in getting this email out to you. We received the pricing for this trip just before Passover, however, because of a considerable increase in price we needed to negotiate, but the Passover holiday delayed things.

Prices in Israel have increased since last year, especially in the hotels we are booking – those who went last year were so blessed by the quality of the hotels and enthused that they added hugely to their enjoyment of the trip so we would like to repeat them next year.

At present the dollar rate to GBP is fairly high but our experience last year was that, at time of agreeing the price, it was also high and then it dropped drastically to its lowest - just at the time we had to transfer the monies and the difference actually left us short which resulted in a surcharge of £60 for everyone.

We want to avoid this situation again however you do need to know this is subject to any fluctuation below an exchange rate of \$1.28/£1

There may be one or two minor changes to the itinerary which we are still negotiating with Keshet but we will forward the revised itinerary as it becomes available.

Based upon a minimum of 45 participants the cost of the trip will be £1370

We will be in touch periodically to give any further information and notify of any changes or time limits for the process.

Finally, last year's trip was voted a huge success by all who went and we are praying and trusting God that next year's will be as well!

Michael and I are looking forward to being your hosts again and promise we will work as hard as possible to ensure it is a memorable and rewarding trip for every one of you!

Every blessing and Shalom
